OUR VISION

We envision an inclusive community rooted in liberation where all persons can exercise their civil and human rights without discrimination.

OUR MISSION

Our mission is to achieve equity, political rights, and social inclusion by advancing policies and practices that expand human and civil rights, eliminate discrimination, and accelerate the well-being, education, and economic security of Black people and all persons of color.

THEORY OF CHANGE

We are committed to a world without racism where Black people enjoy equitable opportunities in thriving communities. Our work is rooted in racial equity, civic engagement, and supportive policies and institutions for all marginalized people.
